

Children's Hospital Los Angeles and the Keck School of Medicine of University of Southern California (Updated October 2025)	
Pediatric Neuroimmunology Research Fellowship	
Department & Institution	Division of Neurology, Department of Pediatrics, Children's Hospital Los Angeles and the Keck School of Medicine of USC
Fellowship Focus	Neurogenetics of Neuroinflammation
Director	Jonathan D. Santoro, MD
Fellowship Duration	1-3 years
Positions Available	1
Description	This research fellowship at the Saban Research Institute will provide a bench to bedside experience for interested physician-scientists. The fellowship focuses on exploration of the role of genes of immune regulation in neuroinflammatory disorders.

Contact Name	Jonathan D. Santoro, MD
Contact Email	jdsantoro@chla.usc.edu

Mayo Clinic (Updated October 2025)	
Mayo Clinic Center for MS and Autoimmune Neurology Research Fellowship	
Department & Institution	Neurology Mayo Clinic
Fellowship Focus	Autoimmune Neurology
Director	Eoin Flanagan
Fellowship Duration	1 year
Positions Available	1
Description	A Research Fellow at Mayo Clinic is a temporary position intended to provide training and education in research. Individuals will train in the research program of a Mayo Clinic principal investigator.
Website/More Information	https://www.mayo.edu/research/centers-programs/center-multiple-sclerosis-autoimmune-neurology/careers-education
Contact Name	Jessica Sagen
Contact Email	sagen.jessica@mayo.edu
Eugene and Marcia Applebaum Fellowship Award from the Center for MS and Autoimmune Neurology	
Department & Institution	Neurology Mayo Clinic
Fellowship Focus	Multiple Sclerosis
Director	Eoin Flanagan
Fellowship Duration	1 year
Positions Available	2
Description	The Center for Multiple Sclerosis and Autoimmune Neurology is requesting applications for a fellowship award made possible a generous gift from our benefactors.
Website/More Information	https://www.mayo.edu/research/centers-programs/center-multiple-sclerosis-autoimmune-neurology/overview
Contact Name	Jessica Sagen

Contact Email	sagen.jessica@mayo.edu

Massachusetts General Hospital (Updated October 2025)

Autoimmune Neurology and Neuroinflammatory Diseases Research Fellowship

Department & Institution	Department of Neurology; Massachusetts General Hospital and Brigham and Women's Hospital
Fellowship Focus	autoimmune neurology and neuroinflammatory diseases
Director	Haatem Reda, MD; Shamik Bhattacharyya, MD
Fellowship Duration	1 year
Positions Available	3
Description	This 1-year program provides extensive clinical experience, training, and research mentorship to prepare fellows for leading-edge clinical and/or research careers in autoimmune neurology and neuroinflammatory diseases at academic centers or industry.
Website/More Information	https://www.massgeneral.org/neurology/education-and-training/advanced-general-neurology-fellowship
Contact Name	Drs. Haatem Reda and Shamik Bhattacharyya
Contact Email	hreda@bwh.harvard.edu

National Institutes of Health (Updated October 2025)

Clinical and Research Fellowship in Multiple Sclerosis

Department & Institution	National Institutes of Health, National Institute of Neurological Disorders and Stroke, Translational Neuroradiology Section
Fellowship Focus	multiple sclerosis
Director	Daniel Reich
Fellowship Duration	3 years
Positions Available	1
Description	Projects investigate MS via neuroimaging, neuropathology, and multiomics biomarkers. Fellows receive MS clinical training and care for NIH neuroimmunology patients. Ideal for those transitioning from residency to an academic clinician-scientist career.
Website/More Information	https://research.ninds.nih.gov/employment-training/training-programs-ninds/clinical-fellowship-and-residency-programs
Contact Name	Daniel Reich
Contact Email	daniel.reich@nih.gov

Neuroimmunology and Neurovirology Fellowship

Department & Institution	National Institutes of Health, National Institute of Neurological Disorders and Stroke
Fellowship Focus	MS, Autoimmune Neurology, Neurovirology
Director	Avindra Nath
Fellowship Duration	2-3 years
Positions Available	2
Description	Candidates can choose either clinical research and/or basic/translational research tracts. Focus is on understanding disease

Outside the Match Research Fellowship Opportunities

	pathogenesis, learning how to conduct early phase clinical trials with access to state-of-art technology.

Contact Name	Katy Finnel
Contact Email	katy.tabler@nih.gov

NYU Langone (Updated October 2025)	
NYU Langone Adult and Pediatric Multiple Sclerosis and Neuroimmunology Translational Research Track Fellowship	
Department & Institution	Neurology, NYU Langone Health
Fellowship Focus	Translational Research in Neuroimmunology
Director	Ilya Kister
Fellowship Duration	2 years
Positions Available	1
Description	We offer a translation MS research fellowship track, which is geared toward candidates with extensive bench research experience (Ph.D. preferred), who would work in the laboratory.
Website/More Information	https://med.nyu.edu/departments-institutes/neurology/education/fellowships/multiple-sclerosis
Contact Name	Ilya Kister
Contact Email	Ilya.Kister@nyulangone.org

University of California San Francisco (Updated October 2025)	
UCSF Clinician-Scientist MS/Neuroimmunology Fellowship Position	
Department & Institution	Multiple Sclerosis and Neuroimmunology, University of California San Francisco
Fellowship Focus	Digital Health Innovations and Sex/Gender Aspects in MS/Neuroinflammatory Conditions
Director	Dr. Chu-Yueh (Joanne) Guo
Fellowship Duration	2-3 years
Positions Available	1
Description	Innovations in digital health that support precision medicine (BRIDGE, dashboards, digital tools and biomarkers), sex and gender-related aspects of neurology (SAGE, pregnancy, menopause, men's health, LGBTQ), and innovations in the delivery of care
Website/More Information	https://neuroeducation.ucsf.edu/multiple-sclerosis-and-neuroimmunology
Contact Name	Chu-Yueh (Joanne) Guo
Contact Email	Chu-Yueh.Guo@ucsf.edu
UCSF Clinician-Scientist MS/Neuroimmunology Fellowship Position	
Department & Institution	Multiple Sclerosis and Neuroimmunology, University of California San Francisco
Fellowship Focus	Clinician-Scientist Fellowship Position with Dr. Ari Green
Director	Dr. Chu-Yueh (Joanne) Guo
Fellowship Duration	2-3 years

Outside the Match Research Fellowship Opportunities

Positions Available	1
Description	Biological Validation of Biomarkers; clinical trials for the evaluation repair therapeutics, remyelination and regeneration; axon protection and electrophysiology
Website/More Information	https://neuroeducation.ucsf.edu/multiple-sclerosis-and-neuroimmunology
Contact Name	Chu-Yueh (Joanne) Guo
Contact Email	Chu-Yueh.Guo@ucsf.edu
UCSF Clinician-Scientist MS/Neuroimmunology Fellowship Position	
Department & Institution	Multiple Sclerosis and Neuroimmunology, University of California San Francisco
Fellowship Focus	Clinician-Scientist Fellowship Position with Dr. Joe Sabatino
Director	Dr. Chu-Yueh (Joanne) Guo
Fellowship Duration	2-3 years
Positions Available	1
Description	T-Cell Biology and Multiple Sclerosis
Website/More Information	https://neuroeducation.ucsf.edu/multiple-sclerosis-and-neuroimmunology
Contact Name	Chu-Yueh (Joanne) Guo
Contact Email	Chu-Yueh.Guo@ucsf.edu
UCSF Clinician-Scientist MS/Neuroimmunology Fellowship Position	
Department & Institution	Multiple Sclerosis and Neuroimmunology, University of California San Francisco
Fellowship Focus	Clinician-Scientist Fellowship Position with Dr. Sergio Baranzini
Director	Dr. Chu-Yueh (Joanne) Guo
Fellowship Duration	2-3 years
Positions Available	1
Description	Gut Microbiome in MS
Website/More Information	https://neuroeducation.ucsf.edu/multiple-sclerosis-and-neuroimmunology
Contact Name	Chu-Yueh (Joanne) Guo
Contact Email	Chu-Yueh.Guo@ucsf.edu
UCSF Clinician-Scientist MS/Neuroimmunology Fellowship Position	
Department & Institution	Multiple Sclerosis and Neuroimmunology, University of California San Francisco
Fellowship Focus	Clinician-Scientist Fellowship Position with Dr. Bruce Cree
Director	Dr. Chu-Yueh (Joanne) Guo
Fellowship Duration	2-3 years
Positions Available	1
Description	Clinical Research and Clinical Trials in MS and NMOSD
Website/More Information	https://neuroeducation.ucsf.edu/multiple-sclerosis-and-neuroimmunology
Contact Name	Chu-Yueh (Joanne) Guo
Contact Email	Chu-Yueh.Guo@ucsf.edu

University of Maryland School of Medicine and Baltimore VA Medical Center (Updated October 2025)	
Multiple Sclerosis and Neuroimmunology Fellowship - Neuroimaging Research Track	
Department & Institution	Department of Neurology at University of Maryland School of Medicine and Baltimore VA Medical Center
Fellowship Focus	Multiple Sclerosis and Other Neuroimmunologic Conditions
Director	Daniel Harrison
Fellowship Duration	2 years
Positions Available	1
Description	Clinical training in MS and other neuroimmunologic conditions. Research project focused on utilization of ultra-high field 7 Tesla MRI in multiple sclerosis, working in laboratory of Daniel Harrison, MD., with protected time for research.
Website/More Information	https://www.umms.org/ummc/pros/gme/fellowship/multiple-sclerosis-neuroimmunology
Contact Name	Daniel Harrison
Contact Email	dharrison@som.umaryland.edu
Multiple Sclerosis and Neuroimmunology Fellowship - Ocular Imaging Research Track	
Department & Institution	Department of Neurology at University of Maryland School of Medicine and Baltimore VA Medical Center
Fellowship Focus	Multiple Sclerosis and Other Neuroimmunologic Conditions
Director	Daniel Harrison
Fellowship Duration	2 years
Positions Available	1
Description	Clinical training in MS and other neuroimmunologic conditions. Research project focused on utilization of adaptive optics retinal imaging in multiple sclerosis, working in laboratory of Daniel Harrison, MD., with protected time for research.
Website/More Information	https://www.umms.org/ummc/pros/gme/fellowship/multiple-sclerosis-neuroimmunology
Contact Name	Daniel Harrison
Contact Email	dharrison@som.umaryland.edu

UT Southwestern (Updated October 2025)	
UTSW Basic/Translational Neuroimmunology Fellowship	
Department & Institution	Department of Neurology, UT Southwestern Medical Center
Fellowship Focus	Multiple Sclerosis
Director	Olaf Stuve
Fellowship Duration	1-3 years
Positions Available	1
Description	This position is for candidates with an interest in pursuing a career as an independent investigator running a basic/translational science lab upon completing training.
Website/More Information	https://www.utsouthwestern.edu/departments/neurology/subspecialties/multiple-sclerosis-neuroimmunology/fellowship.html
Contact Name	Kyle Blackburn
Contact Email	kyle.blackburn@utsouthwestern.edu

Yale University (Updated October 2025)	
Immunology Research	
Department & Institution	Department of Neurology, Yale University
Fellowship Focus	Human Immunology
Director	Erin Longbrake
Fellowship Duration	2-3 years
Positions Available	0-1
Description	Basic research opportunities in neuroimmunology are available at Yale on topics including human immunology, radiology, and/or genetics. Reach out directly to Dr. Longbrake or to the PI you are interested in working with.
Website/More Information	N/A
Contact Name	Erin Longbrake
Contact Email	erin.longbrake@yale.edu
